CALL FOR ABSTRACTS

TOPICS

The EPA Conference 2016 welcomes submission of research and case report abstracts for consideration. Abstracts represent an opportunity to present original research and unique case reports as well as clinical outcome improvements.

We cordially invite you to submit your abstract for oral presentation or poster presentation to the following topics:

- How much technology for the elderly?
- Can there be low cost reliable prosthetic treatment?
- Current developments in prosthodontic teaching
- Free topics

SUBMISSION

Abstracts can only be submitted in English and online at www.epa2016.org until Friday, 31 May 2016.

Abstracts will be reviewed by the scientific committee. Oral and poster presentations will be selected from submitted abstracts based on scientific merit and thematic considerations.

Notification of acceptance and selection for presentation in oral or poster format will be issued to the submitting author via email sometime by June 2016. Registrations until 30 June 2016 will benefit from the early bird registration fees. For further information, please visit the congress website www.epa2016.org or contact us at epa2016@conventus.de.

We would be delighted to receive your contributions!

ABSTRACT FORMAT

Abstract should be structured into the following sections. The total maximum is 300 words.

1. Purpose | 2. Materials and Methods | 3. Results | 4. Conclusions

We appreciate if you follow the abstract guidelines of the IADR. See www.epa2016.org.

PUBLICATION OF ABSTRACTS

All accepted abstracts will be published in the programme and online at the conference website: www.epa2016.org.

REGISTRATION

The presenting author must be a registered participant. Please note that the presenting author is not automatically registered by submitting an abstract. Register now online at the conference website: www.epa2016.org.
